Piazza's Professional Dog Training School/K-9 Services Unlimited For 31 years, I have dedicated myself to the dog training profession. Unlike many other training facilities, I am solely dedicated to training dogs. That's where I am a cut above the rest. I have more experience than any other trainer in Central NY and the Mohawk Valley. I am an expert in animal behavior and never exaggerate my experience. When it comes to animal behavior, there is not a better school. I have studied dogs for 31 years now, and have learned that every dog has its own personality and temperament. That is why I developed my one on one training programs. I was the first school to offer this to my clients back in 1985. Most trainers were offering only classes until they learned the proper way of training dogs by learning my techniques. Here at Piazza's Professional Dog Training School/K-9 Services Unlimited, we concentrate on just one thing. Training dogs and teaching students. We can handle all breeds and any temperament there is. As our dogs pack leaders (Alpha Dog) our training is only used to bring out their potential. We help your dog develop the skills and discipline he or she needs and we teach you how to bring out the best in them. We offer the best quality dog training anywhere. By mixing positive reinforcement and corrections, we teach our students how to be one with their dog. We never use harsh training methods and we will never tolerate anyone who does.
