Arthritis Relief for Dogs and Pets Rejuvenate aching joints, connective tissue and enhance the immune system. Renew your Dog's vitality Nature's Source to Healthy Joints Proprietary Blend, including UC-II® Product Description Dog Pain Away® is a revolutionary all-natural alternative to drugs for your Dog. Clinically developed to address the needs of all dogs suffering from joint pain, decreased flexibility and movement, as well as symptoms of arthritis, wearing of cartilage, increased synovial fluid production and inflammation. Formulated as a Veterinarian Approved synergistic combination of UC-II® Collagen*, natural herbal ingredients and Marine extracts found in the waters off New Zealand, each ingredient was carefully selected and validated to optimize your dog's joint function and comfort, and provide the building blocks to support normal joint structure. It works to rejuvenate aching joints, connective tissue and enhance the immune system.
