K9KEY Dog Training School K9KEY Dog Training School is dedicated to providing your dog with balanced and effective dog training that will last a lifetime. Our passion is to enhance the bond between humans and dogs by teaching them how to communicate with peacefully and happily together! WE offers a unique approach for you and your canine whether you are struggling with control issues, raising a new puppy, or focusing on competition training. Most of our clients notice an impressive difference in their own dog within the first 15 minutes of their first session. Our primary focus is on gaining control through effective and natural leadership and once this is achieved, the training falls into place much easier. Throughout our dog training program we fold in leadership with teaching to produce a well-rounded experience. Training Classes are offered in Manhattan, Brooklyn, Queens, Bronx, Long Island, New York Metro area, Connecticut, Canada, and Korea.
