<http://www.vomwennerhaus.com/>

My dogs and their offspring have competed at the national level in several venues!

vom Wenner Haus Vom Wenner Haus is a small hobby breeder in southern Minnesota. We specialize in breeding the Working Lines German Shepherd Dog; paying close attention to temperament, mental stability, health clearances, sound structure and workability. We take breeding very seriously and only breed dogs that we feel are an excellent representation of what the German Shepherd Dog should be. Vom Wenner Haus puppies are eager to learn, energetic with sound conformation and great temperaments. They are being trained in a wide variety of venues, just to name a few: schutzhund, obedience, tracking, conformation, rally, agility, herding, and search and rescue....
