Hoopers Hoop

Used by NADAC and made to their specifications

Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Used by NADAC and made to their specifications. Arched hoops so your dogs never mistake them as tire jumps. Older dogs can also greatly extend their agility career with these safe no-impact obstacles. Easy to transport and set up, it's easy to create endless games and sequences with hoops. The hoops are 34" wide x 36" tall and made of sturdy UV-resistant plastic piping. Product Description: Hoopers is a fun agility game which utilizes a single ground level obstacle that is safe and no-impact. Not quite sure if you or your dog want to do Agility? Try the Hoopers Hoops, they are a fun and challenging mental game to help create a smooth flowing team of you and your dog. It is suggested to buy multiples to create a fun, challenging course. Hoops can also help train young dogs directional cues, before they are old enough to jump.
