Thinschmidt German Shepherds - personally endorsed by Caesar Milan!

Thinschmidt German Shepherds We are certified dog trainers and understand the importance of early socialization and conditioning, beginning at just 3 days of age. This process, which is unfortunately not done by many breeders, can and does eliminate serious behavioral problems once the pups are adults, especially in the areas of dog aggression, fearful behavior, stress in the dog leading to destructive chewing, digging, barking, etc., and overall good health, stronger immune system, and long lifespan.
