AMERICAN BIOSCIENCES (IMMPOWER) DGP 60 TAB Product Description Size: 60 Tabs DGP (Dog Gone Pain) by American BioSciences Inc. 60 Tablet DGP is specifically formulated to help support a pets joint mobility and flexibility. DGP may help ease aches and discomfort caused by daily exercise activity and training. Developed by master herbalists and scientists in Australia this unique blend of high quality ingredients helps support mobility flexibility and ability to continue to live a healthy active life. DGP is highly effective because it contains the finest ingredients known to support mobility (some only available from the fertile soils of New South Wales in Australia). DGP contains a blend of European and Australian herbs and marine extract. The high quality of each and every ingredient as specified by the formulators ensures the ultimate levels of ingredient actives and bioavailability so your pet readily and fully absorbs all the benefits DGP has to offer. Product Facts Active Ingredients Mg Per Tablet Marine Collagen Extract 300mg Boswellia Extract 30mg Coryda
