We are dedicated to the rescue and welfare of German Shepherd Dogs. Our volunteers help foster and adopt dogs to willing homes

We are dedicated to the rescue and welfare of German Shepherd Dogs. Our volunteers help foster and adopt dogs to willing homes. Please help us in our efforts, for their sake. "Every dog has a story, how it ends depends on you..." Our homeless furry friends are in desperate need of a loving and caring home. If you cannot adopt, any act of kindness while they wait, will change their lives forever. Foster Homes Needed Not all of our rescued German Shepherds are lucky enough to be in foster homes; many remain in kennels. We'd like to place EVERY Rescue dog in a foster home where it can experience the love, care, and attention it needs and deserves while it is waiting to be adopted. YOU can foster a German Shepherd Dog! Our network of rescue volunteers is there to help you with advice, and Rescue pays for the care of the dog including food and authorized veterinary expenses. Won't you consider fostering a German Shepherd who wants a second chance at a happy life? Fostering is a very rewarding experience, not only for you, but for the dogs too!
