We tell our customers we come with 24/7 tech support because when we sell a puppy the deal is not done! We want to make sure that that puppy is everything that it should be as well as everything your family wanted! The date of sale is what we hope to be a lifelong friendship between our customer and ourselves! You can also have the peace of mind in knowing that we guarantee our puppies! In our family the GSD is not just a dog they are our children and our way of life! We are involved with clubs such as the AKC, German Shepherd Dog Club of America, German SV, United Schutzhund Clubs of America, Therapy Dogs INC., Therapy Dogs International, & Working Dog Association. In 2005 a dream was born! This dream was in the form of a German Shepherd sable female named Kahlua. She came into my life at a time when I needed her the most and truly has changed my life forever. She set forth the dream of producing dogs that will be loyal, loving, and protect their families till the end. From a very early age I was amazed by the beauty, loyalty and intelligence of the GSD but it was not until 2005 that I understood why. I made it my mission to raise healthy, happy, GSD's that will truly be an asset and joy to families everywhere. We have active police K-9's, search and rescue (SAR) dogs, as well as numerous therapy dogs that assist the elderly as well as children with disabilities such as autism. Our dogs only come from the best and most proven lines out of Germany! In the 8 years that we have been producing, we have never had genetic problems, hip or elbow dysplasia, or any form of temperament problems whatsoever! We are very proud of what we have accomplished and can assure you there is much more to come!
