We take pride in loving and raising all of our dogs.

German Shepherd Kingdom If you're looking for a German Shepherd puppy you came to the right place. We will always have updates on when our next litters will be born. We do not always have puppies so the litter dates are important. We have four females and we will breed them only once a year each. So they stay happy and very healthy and intern so do their puppies. medianet_width="600"; medianet_height= "120"; medianet_crid="137148174";
