Timberline Reg'd German Shepherds Welcome to the online home of Timberline Kennels. We are breeders of quality German Shepherds, offering CKC Reg'd puppies, and occasionally young dogs, and adult dogs for, companionship, show, or working purposes. All puppies from our kennel are family raised in our home, and guaranteed. We breed North American, conformation/obedience titled bloodlines, with emphasis on sound temperament, correct structure, good health and longevity. Visit our Picture Galleries for photos of typical Timberline dogs. We also offer OVC certified stud service from proven producers, and professional conformation training and handling services. Feel free to browse our pages, and address any questions or comments you may have to our email address below, or give us a phone call. Visits to our kennel are always welcome, but a reservation is preferred. To learn more about the history of our kennel, and our family, please visit the "About Us" page.
