We are now Direct Importers of German Shepherd World Champions.

Only The Finest German Bloodlines From World Champions! CKC Registered German Shepherds Our breeding stock consist of only the finest german bloodlines. Slight to No Slopes! They are considered straight backs. We find that the West German lines are the best dog suited for family, companion, working, obedience and protection, because they are very balanced in their drives. Meaning these dogs are very stable, calm, yet driven, easy to live with in the house, easy to train, willing to please and ready to defend. All around very versatile. These German Shepherds have a very correct, harmonious and balanced structure resulting in a smooth, efficient, beautiful gait and very high endurance. We produce ONLY black & red. A good German Shepherd for us needs to be THE TOTAL PACKAGE! Temperament, health, working ability, brains and looks. This is my goal, a dog that has it all. I look for correct but functional conformation, with a very important key, Very Stable Nerves! All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
