We are dedicated to our German Shepherds.

Wofen Haus Kennels We are passionate about our work and are dedicated to our German Shepherds. We strive to produce German Shepherds that excel in Schutzhund, personal protection while, still making ideal companions or family pets. We provide full service: Puppies and young or older trained adults. Stud services. Training in both obedience and protection. We take extreme pride in what we produce. At Wofenhaus, the bar has been raised, and Exceptional is the standard. In raising purebred puppies, we, as German Shepherd breeders, place high value on quality rather than quantity. It is, therefore, recommended that you make early reservations. We make sure that we will only offer you German Shepherd Dogs with sound mind, good structure and of excellent pedigree. Each German Shepherd puppy comes with a 2-year health guarantee. medianet_width="600"; medianet_height="120"; medianet_crid="137148174";
