Our breeding program are the health, character and working ability of the German Shepherd Dog.

vom Haus Jera German Shepherd Kennel We are Corry van der Elst and Giny Timman. Together we have formed the kennel Vom Haus Jera. We are breeders of German Shepherd Dogs. We are located in Eemnes, which is in the middle of the Netherlands. For many years we have been active in the sport of schutzhund and conformation. Our dogs are titled, breed surveyed and socialized. We are members of the Dutch Kennel Club (VDH). Prior to registering this kennel name, Giny was and still is the owner of the kennel name v.d. Ianhoeve. She has bred some well known dogs under this kennel name until 2007. Personal circumstances caused us to relocate and establish a different kennel name, while incorporating some of our previous bloodline into our new breeding program. The most important goals in our breeding program are the health, character and working ability of the German Shepherd Dog. We have contacts with breeders in the Netherlands, Germany, U.S.A. and England that have the same standards of excellence that we adhere to. medianet_width="600"; medianet_height="120"; medianet_crid="137148174";
