## Gaardog Shepherds - North Dakota USA

<http://www.gaardog.com/>

**We love dogs and think German Shepherds are the best dogs in the world!**

Gaardog Shepherds My husband and I truly enjoyed raising German Shepherds for over 20 years. We started in 1997, retired in 2017, then had one litter in 2021. We bought Champion line dogs from all over the USA and Canada, as well as importing 2 Top German Sieger line dogs from Hungary. We focused our breeding objectives on health and temperament. We now have 4 Shepherds, all beloved family members. Our one female, Tuesday, represents the culmination of our breeding program, with her steady nerves, very friendly disposition, medium drive, and sound health.
