We breed German Shepherd dogs for the conformation ring....

Moda German Shepherds We are a small breeder located north of Toronto, Ontario Canada. We breed German Shepherd dogs for the conformation ring, obedience work and great family pets. We pride ourselves on producing dogs of great Temperament, Structure and Health. We limit our breeding program so we can produce dogs that are always improving the breed. We carefully choose dam and sire to get that perfect combination of great movement, structure and mentality so that we can provide that "GREAT" dog to many different lifestyles.
