We guarantee the health and hips on all our puppies and are confident they will provide you with a lifetime of enjoyment!

Von Scharenberg Kennels Von Scharenberg Kennel has been breeding top quality German Shepherds in the United States for more than 25 years. We go to great lengths to personally select some of the finest dogs available in Germany to include in our breeding program. We strive for excellence in temperament, sound hips, exceptional drive and an insatiable desire to learn. We only raise a few litters per year so that all puppies receive as much personal attention and stimulus as possible from birth, until they are placed in their homes or working environments. We breed only certified dogs (those x-rayed and approved by the Orthopedic Foundation for Animals) and guarantee our puppies hips and health. We go to great lengths to make certain the puppies are well socialized at an early age. medianet_width='600'; medianet_height='120'; medianet_crid='486179124';
