All German Shepherd breeding stock is OFA Certified.

Tripphill Kennels of Texas Our basic philosophy is to breed for soundness of mind and body producing dogs that can win in either the all breed or specialty ring. With dogs such as Ch. Tripphill's Dream Spinner and Tripphill's High Finance (Banker), we are doing just that. All breeding stock is OFA Certified. We practice the Brackett philosophy where possible. All pups are socialized from the whelping box forward. Each puppy is acquainted with the grooming table and baiting to food as well as sounds as soon as their eyes and ears open. Video analysis starts at five weeks and continues as long as the dog stays at Tripphill. medianet_width='600'; medianet_height='120'; medianet_crid='486179124';
