Morgen Haus Shepherds is a small kennel intentionally.

Morgen Haus Shepherds, A Northwest Top German Shepherd Breeder Morgen Haus Shepherds is a small kennel intentionally. We limit the number of dogs and litters we have in order to spend lots of quality time with each one. I am here, interacting with my dogs and puppies each day. Enjoying and working with our own dogs, as well as breeding beautiful, healthy puppies is more than just a hobby for us, it is our passion. We are committed to producing amazing new generations of puppies based on solid German Import Bloodlines and bred to the German SV standard. We know our adoptive families are counting on us to bring beauty, character and good health to every litter we produce. We are also especially fond of the black and red coloring of the dogs and you will see lots of that in our kennel. Morgen Haus Shepherds – if at all...with excellence!
