Hyperflite K-10 Jawz Dog Disc

World's toughest canine competition disc

World's toughest canine competition disc
Patented duel grip
Designed by world champions
Capable of record-setting distance throws
Puncture resistant
Product Description
The Jawz flying disc is the toughest and best-flying puncture-resistant disc ever made. The Jawz disc stands up to gnashing canine teeth better than any other competition disc and weighs in at a beefy 145 grams.

Date created: 10/05/2013
