At Old West Shepherds, we work hard at socializing the pups in their first weeks

At Old West Shepherds, we work hard at socializing the pups in their first weeks, and we also do puppy testing to help match up the pups with the needs and preferences of the customer. All pups are AKC registered, de-wormed, micro-chipped and up to date with their shots. They are also be examined by a veterinarian before they go home. We breed from European working lines, and we x-ray all of our breeding dogs to ensure there are no hip issues. All content of this listing belongs to the Owner in this Listing!
