## So You Want to be a Dog Trainer (2nd edition) Paperback

Your step-by-step guide to becoming a professional dog trainer!

Click the Image Directly <sup>^^^Above^^^</sup> for More Information, Current Pricing and Availability Your step-by-step guide to becoming a professional dog trainer! Advice, tips and insider secrets are presented in an easy-to-follow, down-to-earth manner; it's like having a professional trainer sit down for a helpful chat! Topics include what it's really like to train dogs--and their owners; financial feasibility of different types of training; how to get an education; how to set up your business and advertise; tools and products you should not be without; teaching group classes; teaching in-home lessons; phone tips; safety tips; trainer etiquette. This revised second edition features a brand new section on web advertising, expanded sections on education, tools and products, and an expanded Resources section. This book is required reading in many train-the-trainer courses and is recommended by the Association of Pet Dog Trainers. From the Author It's hard to believe that up until now, there hasn't been a single book on the market to offer guidance to aspiring dog trainers. I sincerely hope that this book will be a helpful guide to those wishing to pursue a career in this field, and that it will inspire them to pursue training with positive methods. --This text refers to an out of print or unavailable edition of this title.
