This method gives your dog choices, then you simply reward him for making the correct choice. This gives him credit for being an intelligent, sensitive creature who enjoys working when we allow him to think for himself. This happy attitude assures your dog will work joyfully and correctly--in other words, he will love to work!! Stresses the drive instinct in the dog, and is a step-by-step manual to teach you how to train your dog for winning obedience. Popular with both Schutzhund and competitive obedience customers. Deals with the novice exercises: heeling, sit, stay, down, stand, recall.
