Von Alcazar Zwinger Top German Shepherd Dogs The name Alcazar Zwinger literally means "fortress kennel." Alcazar in Spanish means fortress. I used to live on Alcazar street and so came the name My goals at Alcazar Zwinger have always been to produce a German Shepherd dog sound in character, sound in body, and with correct structure. Even though I brought up Hella as a "house pet" she excelled at Schutzhund. At our Schutzhund I trial she scored the highest of any German Shepherd dog in her protection work and Tom Mitchell expressed delight saying "this is the kind of protection I like to see." Over the years I titled more German Shepherd dogs. I also exported German Shepherd dogs to Germany and took many bitches to Germany for breeding, always striving for true combinations of work and show. In 1993 the United Schutzhund Club (U.S.C.) awarded me with the coveted BORN IN THE USA AWARD, awarded to the top breeder who produced the highest ranking female bred in America. V-Cinder-Alcazar Zwinger. The highest placing v-rated female at the USA Sieger show. I also have maintained the position as one of the top 10 breeders in America with U.S.C. I find it interesting as my German Shepherd Breeding program has been extremely small in comparison to those who rank above me. My quality is simply a result of good stock not mass production.
