German Shepherd Puppies and Schutzhund German Shepherd Dogs ♦ California Kennels

German Shepherd Puppies and Schutzhund German Shepherd Dogs – California KennelsLundborg-Land is a breeder of top quality German Shepherd Puppies and Schutzhund German Shepherd Dogs for sale. We are located in Southern California. When you purchase a dog from us you can be assured that years of breeding experience has gone into the development and selection of your German Shepherd dog or puppy. We Breed Tempered Quality Structured German Shepherd DogsWe bred the “working line” German Shepherd and found that the people who bought our German Shepherd Puppies could not handle the “high drive” energy level they had. They also did not have the sound structure or the temperament so badly needed for pet homes. So we decided to breed a better tempered, more quality structured German Shepherd dog.
