Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Strong 5.5 amp suction with stretch hose cleans cars, upholstery, stairs. 1 motor powers the revolving brush, second motor for suction. Onboard crevice tool; Riser Visor for carpeted stairs. Bagless filter and clear dust cup clean easily. Weighs 5 pounds; 20-foot cord wraps for storage. Product Description Compact size makes the Eureka 71B very easy to store. Eureka EasyClean Vacuum, 71B Handheld Corded Vacuum Hand-held but very powerful, this Eureka model eliminates the hassle of lugging around a full-size vacuum for cleaning car upholstery, sofas, and carpeted stairs. A 20-foot long cord which can also be wrapped around for storage purposes, provides good reach, as does the deluxe hose that stretches to three times its length. With the crevice tool on the end of the hose, this vacuum reaches into all kinds of tight places. Its high power suction is driven by two motors. One motor provides power to the revolving brush and the other for suction. The 5.5 amp power allows this vacuum to clean deeply. Ideal for quick pick-ups or cleaning smaller spaces: Clean your cars, stairs as well as quick messes easily with this light weight hand vacuum by Eureka. The Riser Visor nozzle flips to easily clean upholstery and stairs vertically or horizontally. On or off, brush roll picks up dirt from bare floors and area rugs. With its ability to provide a quick yet comprehensive clean, it has formally been named "Quick-Up"
