FREE Engraving! Embossed medical alert Star of Life symbol recognized worldwide by medical responders. Includes your Emergency Medical Card with highly visible medical alert sleeve. This silicone medical alert ID bracelet along with its stainless steel matt finished engraving plate and clasp combines all the best for both form and function. **IMPORTANT: PLEASE WATCH FOR ENGRAVING INSTRUCTIONS BEING SENT TO YOUR AMAZON EMAIL ACCOUNT. THESE WILL BE SENT FROM: UNIVERSAL MEDICAL DATA - AMAZON MARKETPLACE AND WILL ARRIVE SHORTLY.** Product Description: GSDsite.com Color: Black. In an emergency, should you become confused or unable to communicate, your medical alert bracelet provides the initial awareness to first responders that you have an existing medical condition. Emergency medical personnel are trained to look for identifying information signaled by the blue "Star of Life" found on all of our products. Upon identifying your condition, the responder can more quickly and accurately diagnose and treat you. Waterproof silicone bracelet with matt finished stainless steel clasp and engraving plate. Personalize by engraving your most pertinent medical information including any allergies, special medications, medical conditions, emergency contacts, and more. Our engraving is provided with a special application process to provide high contrast black lettering for quick and easy readability. Add up to 6 lines of engraving with 36 characters per line on the front. Each order includes a FREE Emergency Medical Card with its highly identifiable medical alert Tyvek® carrying sleeve. The Emergency Medical Card allows you to carry far greater details of your medical information including all of your medications, allergies, medical conditions, emergency contacts, personal bio, and more. Use along with your medical alert item by adding the engraved message "See Med Card." Contact us for unlimited card replacements. **IMPORTANT: An easy to use Engraving Form will provide us with your precise engraving instructions. You will receive the engraving form via email shortly after we receive confirmation of your order. Simply complete the form and return it to us via email communications.**
