Product Description GentleSpray Citronella Anti-Bark Collar Time you spend with your pet is precious, and there is no need for it to contain incessant barking. You may be tired and frustrated with how much your pet likes to talk and ready for bark control collar that will immediately help deter nuisance barking. The GentleSpray Anti-Bark Collar conditions dogs to stop barking with a burst of citronella spray in front of his snout when he barks. It combines modern electronics with state-of-the-art spray technology. How it works: The GentleSpray Citronella Anti-Bark Collar is simple to operate. When the sound of your dog's bark triggers the microphone, a burst of spray is emitted which dogs find unpleasant. It is a sufficient deterrent to excessive barking. It is recommended for use with any dog weighing 6 lbs or more and at least 6 months old. If your dog is smaller or younger, please check with your veterinarian. It is ideal for controlling nuisance barking both indoors and out.
