Zinolar German Shepherds are exhibitors and occasional breeders of these wonderful dogs we are based in Berkshire with excellent road and rail links.

I have always been an animal lover particularly of dogs and horses, as a young girl we were never allowed a dog at home but my grandparents and other family members always had dogs, I was also very privileged to have two ponies of my own (how my parents afforded it I will never know but they let their little girl follow her dreams) I always promised myself that when I left home I would indeed have a dog of my own and he came in the shape of Ross a Short Haired German Pointer who I re-homed from my sister-in law however he wasn't a German Shepherd and I had always had a very soft spot for these amazing dogs so in 2006 I bought my first Shepherd, Pepper from here the love affair has gone from strength to strength.
