German Shepherd Breeder Tennessee

Presley German Shepherds We stand behind every puppy we raise! We promise to be here for you and your pup for it's lifetime. We have made many friends and repeat customers through the sale of our puppies and hope to make many more. Our goal is for every person that leaves here with one of our puppies to be 100% satisfied. We think we have come up with an agreement that covers everyone for the puppies health and safety. We place our puppies with the expectation that they are going into a forever home. However, we realize that even though your intentions are to keep your puppy forever we know that sometimes life happens and circumstances beyond your control change your living or financial conditions. Whatever the obstacle may be we guarantee you that your puppy/dog will always have a safe place to come back to if it is ever in need of a home. We do not want a single one of our pups to end up in a shelter or rescue. We will take them back without criticism of any kind towards you.
