Be careful, pet sprays are NOT All created equal! Ours is non-toxic, 100% natural and chemical free! Don't risk your pet's health on a cheaper product! • HEALTHIER FUR, SKIN, EARS + NO MORE FLEAS/ITCHING/ODORS! -You already know most of the benefits of probiotic pet spray...What's stopping you? Our guaranteed spray is the fast & safe way to have your dog smelling, looking, & feeling his/her best! Product Description Are You Ready For YOUR Dog To Look Great, Smell Even Better, And Be Protected From Fleas, Ear Mites, Skin Irritations, & More? • Safe & Natural Probiotics For Dogs That's 100% Easy & Effective. • Do you want your dog to stink, have fleas, or suffer the consequences of poor health? Let's face it...Most dog food and treats are made from awful, ridiculous by-products. Combine that with bad bacteria and diseases, and you need protection. You already know that vet bills can quickly rack up, so this is a no-brainer. • Protection & Relief From Fleas, Odors, Fur Loss, Bad Breath, & More! • Our probiotics will clean all skin types down to the microscopic level with a simple and short spray. The probiotic bacteria will take over and consume the food source that bad bacteria lives on. This will improve the skin health naturally by the removal of the bad bacteria which keeps the skin clean for about 72 hours with a single use! If your pet has hot spots, fur failure to grow, eyes are running and weeping, has a bad odor, or ear mites, a few sprays of our all natural, chemical-free DermaPet Pro will get your dog back to great health! If you've tried other products but didn't see results...you NEED to give ours a try! NO false promises, and NO side effects! CAUTION: Dog Probiotics are NOT created equally. Some vendors will unfortunately sell products without pure ingredients or that are not specifically formulated for dogs. Please, don't be fooled by imitators! Important Information Safety Information NaturPet Pro is a spray that is safe for all pets, and farm animals. Can be used directly on any skin type, and in the eyes, nose, and ears. It is all Natural, no chemicals. The probiotics will clean all skin types down to the microscopic level with a simple and short spray.
