Southern Coast K9 What We Do | K9 Sales and Training If you're looking to buy a K9, you've come to the right place. At Southern Coast K9 we offer exceptional K9s for sale. Our prices are extremely competitive, and all our dogs come with X-rays and medical records. Why are our K9s so special? Southern Coast K9 only selects dogs from Europe where the world's best K9s have been bred for decades. Before shipping them to Southern Coast K9, trained overseas staff hand-select the pedigreed dogs for excellent health and temperament - and to fit Bill Heiser's specifications: a dog must be sociable, well-rounded and possess an extreme hunt drive. Once here, Bill and his team of K9 trainers carefully evaluate each young dog, assessing it for stamina, drive and level of aggression. This is important: while one dog is better suited to canine detection another would make a quality personal protection dog. K9 Sales It is vital to make a good match when you buy a K9. We work with you in selecting the right dog for you. After all, you're going to be a team - an affinity between you and your K9 teammate is essential if the best job is to be done. The next step would be for you and your new K9 to learn to work together. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
