FEUERSTEINHOF GERMAN SHEPHERDS My love for the beautiful German shepherd began 32 years ago .For the first time I visited with my uncle Leontio Kotsonia who was a police officer dog handler training base of the British police in Cyprus .From that day began a new life for me . A dream and a struggle for the acquisition of a German Shepherd ideal for me .My parents were against my desire to get a dog of this size at home because I was young and it would be difficult to handle .In my 9 years my dream came true !My favorite uncle brought me my first male puppy KYARS.The surprise was great when I got it in my arms that moment I began to dream .After two years I gained a wonderful female. Then I have started going to fairs getting awards and meeting many people who have dealt seriously with the reproduction of the German Shepherd and have learn a lot about this wonderful breed .Now after so many years of struggle and love for the German Shepherd and the prompt beloved friends and my two sons decided to name and show outward my kennel .Thanks to everyone who helped and continue to help me to win this dream .
