Quality "German" German Shepherds

Select K9's, LLC German Shepherd Dogs at Select K9s can choose whether they want to be inside, which is 6'x12' or go to their individual outside runs with concrete floors which are a whopping 10' x 50' long!! Visitors are always welcome at Select K9s... just give us a call and we will gladly meet with you! Bring your children, they will enjoy playing with the many animals that we have on our Hobby Farm (maybe Spring babies!). Our children will give them the Grand tour! With outstanding pedigrees at 1/3 the price of competitors, having a small Kennel business in rural Wisconsin is a way of life which beholds old fashioned values and morals, it is not a get rich scheme. We feel other people should be able to enjoy the same things we do without having to pay 2-3 times more. Check pedigrees and prices. If you find something better and cheaper, buy it. This is what we all do. We breed German and Chezh bloodlines with championship / Schutzhund ancestry, most of which are "V" or "VA" rated and KKL1. Most of our dogs are imported from Germany.
