Professional Level training Equipment Great savings Everything you will need to work your dog in Protection training A schutzhund and police K9 handlers favorite Product Description Our Bitezone Sleeve has a concave bite bar creating the ideal bite zone to keep the dog centered on the sleeve and with deep, full grips. The sleeve fits snug on the forearm giving the helper excellent control with even the slightest movements. Used in National championships in USA and Canada. The stick whip Combo gives you the best of both worlds. The puppy sleeve is soft to encourage full bites with young dogs. The targeting bite wedge is a must have when getting young dogs going in Bite work. The 3 handle pillow makes a great tool when starting out young dogs, it can also be used as a send out toy.
