Your pet will LOVE them, be more comfortable and look so much healthier. Product Description Cleo MobiChews are a premium canine dietary and nutritional supplement in the form of small, soft, bite sized soft chew nuggets which may be given to your dog as a treat. The chews provide essential nutrients including premium grade glucosamine and chondroitin for joint protection and support assisting your dog with his/her mobility and agility. The inclusion of additional vitamins and minerals, antioxidants and omega fatty acids in this balanced formula will not only assist with your dog's mobility and flexibility but also improve his/her skin, coat and overall wellness and comfort. These natural, made in the USA soft multi-vitamin chew nuggets are great for senior dogs who experience joint pain, arthritis, hip or elbow dysplasia or any dog who is active such as larger breed fast-growing puppies, working dogs, sporting dogs and dogs performing agility training. Breeds that develop musculoskeletal disorders as well as dogs recovering from orthopedic surgery also benefit from supplementation with natural MobiChews. Note: our chews are especially formulated to be suitable for dogs with allergies or sensitive digestive systems, and are ideal for dogs of all sizes, ages and breeds. Cleo MobiChews offer quality and potency for dogs to help the onset of hip and joint problems, or relieve pain and symptoms associated with existing debilitating conditions. Help make your dog healthy, happy and more active with MobiChews by Cleo Pet Products. Don't feed your precious animals cheaper products that may in fact be harmful to them. Instead, give them what they deserve - a premium, natural, veterinarian tested and recommended product that really works! Order Cleo MobiChews hip and joint support for dogs now with peace of mind. If your pets don't love this revolutionary product you are covered with our 60 Day Total Customer Satisfaction.
