Author, Eric Roth is a paramedic for a busy 911 system and has been teaching people how to save the life of their dog by using paramedic first aid techniques since 2010. Since there is no 911 for canines, Eric takes his world as a paramedic and shows the reader how to apply it to dogs. One thing the book gives to the readers is confidence. Confidence that no matter what the situation involving their dog, they will not only be prepared, but be able to provide care for the best possible outcome. Content covers over 20 first-aid items including, first aid kits, torn pads, dog fights, seizures, broken bones, electrical injuries, muzzling, and bleeding control. There is special attention to choking, bloat, and poisons. Eric writes in a format very conducive for learning and you will be better prepared to an emergency involving your dog. K9 Medic is a must read and a book that any dog lover will enjoy.
