Schutzhund is a competitive dog sport where dog/handler teams compete and are evaluated in the areas of tracking, obedience and protection work.

Maine Schutzhund Club We are dedicated to protecting and preserving the German Shepherd Dog's working heritage protection through Schutzhund training. Schutzhund is a sport that focuses on developing and evaluating those traits in dogs that make them more useful and happier companions to their owners. The purpose of Schutzhund is to demonstrate the dog's intelligence and utility. It also measures the dog's mental stability, endurance, structural efficiencies, ability to scent, willingness to work, courage, and trainability. This working dog sport offers an opportunity for dog owners to train their dog and compete with each other for recognition of both the handler's ability to train and the dog's ability to perform as required. It is a sport enjoyed by persons of varied professions, who join together in a camaraderie born of their common interest in working with their dogs. Persons of all ages and conditions of life including those with significant disabilities enjoy Schutzhund as a sport. Often, it is a family sport.
