Breeders of: German Shepherd Dog

CuasaChiall I am a "Kennel Club Accredited Breeder" as well as holding a Kennel name which is "Cu As A Chiall" which loosely translated is barking loudly dog!!! which we all know GSD's do well. Hope you like the look of my gang. My dogs are my passion; I love to train and breed these fantastic animals. In addition to this, they are a big part of the family and we all live life to the full side by side. I breed for health and temperament and all our puppies are straight back semi to long coated dogs. Please browse through the pages on our web site to get a better look at the dogs and how we live and train. All content of this listing belongs to the Owner in this Listing!
