We offer AKC registered exceptional quality German Shepherd puppies for sale.

Golden Haus K9 We raise purebred German Shepherd Dogs for family companions and all-purpose working dogs. Because we have a large family and a farm where we've raised many animals over the years it has always been of the utmost importance to us that our dogs be safe and trustworthy with children and also to possess respect, common sense and self-control with our other animals. We appreciate our dogs being helpful working farm dogs and we breed accordingly to retain and enhance these traits. We place the majority of our puppies in homes where they quickly become part of the family. Some of our pups have gone to working homes for therapy, service dogs, SAR, and law enforcement working K9s, farm, and competitive sports like conformation, Schutzhund, agility, and obedience.
