Longhaired GSD Breeder

Balruggen German Shepherds
Balruggen Puppy Information
All our puppies are born in the house, we have a special whelping room ensuring that both mum & babies have the best possible care in those crucial first few weeks. Once the pups are old enough, they begin to explore their environment, they are introduced to as much as possible during their first 8 weeks with us, whilst we give them lots of care, love and attention. We feel that this gives puppies a great start and makes moving to their new homes far easier, arriving happy, healthy and well socialised. If you are considering purchasing a Balruggen puppy, you must show that you can offer a stable environment and a caring, loving, forever home. PLEASE NOTE: We will not sell any of our puppies to people living in a flat. All our puppies are bred first and foremost as family pets for pet homes. If you are interested in a puppy from Balruggen, please contact us as we may have a waiting list. ?All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
