Quality German Shepherd Dog Breeders since 1972

ALDERHAUS - GERMAN SHEPHERD DOGS I have bred over 40 Breed Surveyed animals to date, 7 Australian Champions, 1 Singapore Champion, several Excellent Merits, countless Excellents & a few obedience & agility titled dogs. Many animals either bred or owned by me have been "on the pegs" at Nationals or Main Breed Exhibitions over the years. One of my proudest moments was when my beautiful Champion *Alderhaus Yonni (DOB 20.11.1984) won the Gold Medal at the 1988 National. She had won the Silver medal in 1987 - I KNEW we could win Gold & we did just that the following year. I have been showing at Nationals around Australia since the 1970's, and have been going on a regular basis since. We also show our pups and dogs at approximately 8 or 9 German Shepherd Specialty shows a year in Perth. Our dogs are consistently placed in the top 3 in their respective classes under Aust. and overseas judges. I am very proud to have bred 7 straight generations of Alderhaus females, which took around 32 years. Not many breeders in Australia have bred 7 or more generations. I am planning my 8th generation later this year. We currently own 14 dogs. I have been involved with this fantastic breed since 1970, and the last 26 years with my wonderful, very understanding, tolerant partner Rob.
