We are an AKC Minnesota German Shepherd breeder.

Samherz Shepherds German Shepherds We produce beautiful black and red German Shepherd puppies. What sets us apart? We keep our puppy owners actively involved from before the time your pup is even born! You will get progress updates on mom, pictures as she grows, videos of the puppies moving in mom, etc. all up until the day the pups are born. Then, you will get updates as the puppies are born, as well as pictures. From that moment on, we post daily pictures and frequent videos so you can watch your puppy grow from the moment he/she is born. It is not just about coming to pick up a puppy at 8 weeks, but it is a growing relationship between us to truly have you a part of our Samherz family. We truly become good friends with a lot of our puppy owners, as there will always be questions, concerns, stories, etc. to share after you take your new puppy home. We are here to help. We truly want the best for our puppies, and we want you to have the best. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
