### Home of the Silver German Shepherd

Bellevue German Shepherds Home of the Silver German Shepherd We are a small kennel located in Angels Camp, California & we specialize in breeding "old style" silver sable German Shepherds, White German Shepherds and solid black German Shepherds (black and red, black and tan, sable and traditional available occasionally). Our goal is to produce Beautiful and loyal life - long companions with great conformation and outstanding temperaments. All of our dogs come from notable bloodlines that we have researched extensively. We show our dogs in conformation with the United Kennel Club, and we are becoming increasingly involved in agility and Competition obedience.
