EUROPEAN CHAMPION BLOOD LINES

VON GONTA HAUS GERMAN SHEPHERDS VongontaHaus is a small hobby kennel located in Hudson County, in Northern New Jersey. We have World Class German Shepherd Puppies for sale in the North East for both companionship and for IGP sport work and personal protection work. We serve the NYC metro area of New York, New Jersey, Connecticut, Pennsylvania but also other states as well. We sell standard coated German Shepherd puppies, with a hip and elbow guarantee. We only produce one or two litters per year and we train our own dogs and compete with them. They are also our family pets. We socialize all our dogs with household noises, children and other activities to make them well adjusted. Our breed of German Shepherd dogs come from German and Netherlands bloodlines directly imported from Europe, or only one generation removed from European blood. We focus primarily on West German working lines. We do not breed the A.S.L (the American Showline) or the West German high lines. Our dogs are not just champion Working Blood Lines but they come from some of the finest kennels in the Netherlands and Germany. Please see our Ancestors page to understand the foundation dogs in our bloodlines. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
