Choosing a German Shepherd is a long-term and important personal commitment.

Our Philosophy Choosing a German Shepherd is a long-term and important personal commitment. At shepherdslands, we understand that there are several components to consider: the breeder, dog, training and experience. OUR SERVICES PUPPIES FOR SALE We offer CKC german shepherd puppies show line all our puppies are black and tan. BREEDING DOGS More than twenty years of experience in breeding German shepherd dogs. We always care to select a male and a female dog that come from good stock and have healthy genes. Beside finding out about their history to insure breeding healthy puppies that will grow strong adults. STUD SERVICES Our policy for providing publicly health and other information is available to our clients, privately. we Produce 2-3 GSD German Shepherd litters a year, we are active members in the C.K.C., as reputable, reliable, and passionate German Shepherd breeders in Ontario Canada.
