### AKC West German Shepherd Showline and European Working Line Puppies

We are a small hobby kennel located in Southeastern Kentucky. Our dogs are farm-raised in a family environment and are handled daily and socialized from birth. We have always bred for temperament, and with the quality and integrity of the German Shepherd breed in mind. Our dogs are reputed to be fearless, loyal, intelligent, and driven to please their owners. Over the past 25 years, our puppies have grown to be successful as Search and Rescue, Police Protection, Drug Enforcement, as well as, Personal Protection, and Family Companion dogs. Our puppies come with a written health and hip guarantee. Vaccinations and wormings are current when puppies leave our kennel. Occasionally, we have older puppies and adults for sale. You can buy with confidence when purchasing one of our German Shepherds. Stud service is available to approved females. All content of this listing belongs to the Owner in this Listing!
