Our kennel started by importing dogs from Cszeh and Slovakia,we wanted a strong genetic base for our rigouros selection in the future,base that can offer mergeing beauty and great temperament.

There are many reasons a man could have to love the German Shepherd breed being a breed with a great area of utility and also the most popular breed on the planet. The German Shepherd has all the abilities of a complete working or company dog, he is trustful, very attached to his master, noncompetitive, easy to train, adaptable to any environment, so in conclusion a dog good for everything. This breed is the "masterpiece" breed from all German breeds and is based on this next motto "the second place is first of the losers" above all things the German Shepherd must be a utility dog, the 'perfect teeth, his body and mind designed for work are essential and a breed characteristic, otherwise it can't be called at all a German Shepherd. Our kennel started by importing dogs from Czech and Slovakia, we wanted a strong genetic base for our rigorous selection in the future, base that can offer merging beauty and great temperament. Each of our dogs will have the reproduction right according the regulation, all the required tests (DNA, HD, ED) and the work exams. All content of this listing belongs to the Owner in this Listing!
