Von Schneider German Shepherd Working Dog Kennel

<https://vomschneider.wordpress.com/>

We breed our German shepherds For Temperament, Trainability, Correct Structure, and rich Pigments.

Breeder Of German Shepherds Since 1978 Paul And Cindy Schneider have been training and breeding German Shepherds Since 1978. We have trained many dogs from our kennel to a SchH 3. Paul has competed in a number of National championships. Paul and Dexter Von Schneider got 3rd place in the 1998 Nationals, and won the 1999 Pacific North West Regional. Dozer Von Schneider was used a model for the military war dogs statue. Cindy got the first VA Siegerin in Canada with her bitch Vena Von Noriswand. 1997, Paul and Phax Von Schneider got 2002 Pacific North west Regional Championship. And competed in the 2004 USA Nationals. Phax was the only Dog to take the front half helper down in the escape. But unfortunately Phax didn't out after the last re attack. Not bad for having a all show conformation pedigree. These are just a few of our accomplishments, We breed and train dogs as a hobby not for a income, Our Kennel only have 2 to 4 litter's a year, Our goal is to produce a quality German Shepherd with good Structure, Temperament, Trainability, Competition, family, Companion, And Protectors, Quality is always number one in our Kennel.
