Quality German Shepherd Dogs from top European Workinglines

Waldkonig K-9 Quality German Shepherd Dogs from top European Workinglines Timberhaus Training & Boarding Kennels Waldkonig K-9 is a small breeder of top quality German Shepherd dogs. We are located in beautiful Washington State at the foothills of Mt. Rainier. We believe that over the years, our beloved German Shepherd breed has changed to such a degree, mentally and physically, that is hard to find the "Golden Middle." When we breed, we strive to produce a "Old World" type German Shepherd Dog that is NOT too extreme in drive or conformation, but balanced. A dog that is clear in the head with solid nerves, working ability, sound hips and temperaments. A beautiful dog with great bone, substance, correct structure and the gorgeous, regal look that the German Shepherd is known for! We are the proud co-owners of the gorgeous pure DDR studs, V-Lord vd Grauen v Monstab SchH3, KKL1 "a" normal, V-Dino vom Shaferliesel SchH3, IPO3 "a" normal. And sole owners of The beautiful solid black stud dog, V-Urs vd Gansebrucke SchH2, KKL1 "a" normal, the big Czech boy Artur Gal-Mark BH, HIC, OFA Good and the final home of the pure DDR stud dog, Dargo von den Thuringer Kronjuwelen SchH3, FH2, KKL1 "a" LIFE (now deceased). These boys embody everything that we believe a good GSD should be! All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
